

Statement of originality

I would like to declare that the paper:

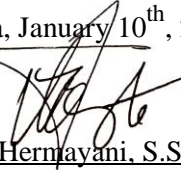

INDONESIAN CIVIL ENGINEERING STUDENTS’ METACOGNITIVE AWARENESS DURING INDEPENDENT ENGLISH SPEAKING CLUB ACTIVITIES

is my original work and has not been published elsewhere.

The paper has been mistakenly kept in the REPOSITORY of Turnitin software when it was submitted for similarity checking in the past, which makes it have a very high similarity index when another submission to Turnitin is performed.

I will be held responsible for the future consequences if this statement turns out to be false.
